National Training Center For Dogs

National training Centre for Dogs was established in the year 2005. NTCD is a premiere institute of Government of India functioning under Indo Tibetan Border Police Force. Ministry of Home Affairs, Government of India. The centre is devoted to imparting training to dogs and handlers of various Central Police Organization, State Police Forces and other law enforcement agencies of India and other Foreign Nations.

Aim

To train dogs and dog handlers for CPOs, SPOs & Law-Enforcement agencies of India and other foreign nations and to do Breeding of Dogs.

Objectives

- Train dogs and dog handlers
- Train persons in kennel management and care of dogs
- Train CAPF/CPOs Veterinary Officers in dog handling and management
- Incorporate latest training techniques and devise training as required
- To breed, rear pedigreed pups and train them

Training

The training of the dog starts at the age of six to nine months. Dogs and Handlers are imparted training in disciplines as specified and demanded by their respective departments. The training of the Dog and the Handler is conjunctive in nature and no leave of any kind is allowed during the course of training. Only midterm break of 10-15 days (depending on course duration) is permitted once during the course. At the end of the course the Dog and the Handler have to qualify in the written and practical test in order to be certified as a trained dog and handler. The training period can be extended (minimum 12 weeks) if the performance of the Dog and/or Handler is not found satisfactory at any stage during the course.

Labrador Retriever

Doberman Pinscher

German Shepherd

Cocker Spaniel

Belgian Malinois
